Please plan your backup care accordingly. Our facility cannot accommodate care during the above dates. We apologize for any inconvenience this may cause! If you joined our school on or after February 1st, 2016 your tuition is calculated on a yearly basis then divided by the months of the year to get the monthly rate.

Other school cancellations may occur due to extreme weather conditions and do not change tuition rates. Short notice closure days will be posted on our facebook page (<https://www.facebook.com/NeverlandNurserySchool/>), as well as our school website (www.neverlandnurseryschool.com). To determine inclement weather school closures we rely on the Springfield School District to make the decisions. If the schools in the Springfield School District close due to weather safety concerns, NNS will also be closed. The same is true for late start, or delays.
